

# WISDOM PRINCIPLES

1. **Stop looking at what you see and start looking at what you can have.**
2. **Forgiveness is not suggestion, but a requirement.**
3. **The seasons of your life will change every time you decide to use your faith.**
4. **You will never reach your potential until your priorities become habitual.**
5. **Your life calling is usually whatever creates the highest level of joy within you.**
6. **You will never possess what you are unwilling to pursue.**
7. **Your pain can become your passage to the greatest miracle of your life.**
8. **Stop looking at where you have been and start looking at where you can be.**
9. **Your words are deciding your future.**
10. **A true winner will never magnify his or her personal weakness.**
11. **You can only move away from a bad thought by deliberately moving toward a good one.**
12. **Champions....simply make an extra effort.**
13. **The proof of desire is pursuit.**
14. **Confidentiality is one of the most treasured gifts you can give to one another.**
15. **Don't poison your future with the pain of the past.**
16. **Failure will last only as long as you permit it.**
17. **Your life will always move in the direction of your strongest thought.**
18. **You'll never leave where you are, until you decide where you'd rather be.**
19. **The day you make a decision about your life is the day your world will change.**
