

# **DON'T QUIT**

**When things go wrong, and they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low and the debts are high  
And you want to smile but have to sigh;  
When the care is pressing you down a bit-  
Rest if you must, but just don't quit.**

**Life is strange with its twists and turns,  
As every one of us sometimes learns,  
And many people turn about  
When he or she might have won had he or she stuck it out.**

**Don't give up, though the pace seems slow-  
You may succeed with another blow.**

**Often the struggler has given up  
When he or she might have captured the victor's cup,  
And he or she learned too late when the night came down  
How close he or she was to the golden crown.**

**Remember this truth when you start to doubt:  
Success is failure turned inside out;  
So stick to the fight when you're hardest hit-  
It's when things seem worst that you mustn't quit.**
